### Materials list | Sculpting, Molding & Casting with Maria Willison 2023

Materials can be purchased at Townsend Atelier's store prior to or during the workshop.  
Students in the class receive a 20% discount on materials.

#### **For sculpture and mold making:**

Le Beau Touché Clay

Fettling knife

Medium loop tool - Sculpture House No. 213

Small steel spatula tool - Sculpture House No. 68

Single Wire End Modeling Tool - No. 405A

Knead-a-mold 1.5 lb kit

#### **Casting Options (choose one):**

Aqua Resin (available at Townsend Atelier)

If you wish to cast in soap or chocolate, you MUST bring it with you to class. You can purchase at a local hobby store, grocery store or online. Examples of materials are on links below.

#### **Soap:**

Any meltable glycerin soap for soap making will be fine. You can find in any craft store or online.
